Summary

Eager to contribute to team success through hard work, attention to detail, and excellent organizational skills. Motivated to learn, grow, and excel in a company.

Education

Reichman University (IDC Herzliya)

Economics, Data Science

2019 - 2022

The goal of the IDC Herzliya is to train the future leadership of Israel through an interdisciplinary education, which combines in-depth theoretical knowledge with practical training, and is guided by faculty and researchers from leading universities in the world and in Israel.

Bar-Ilan University

Pre-Academic Program, Economics

2018 - 2019

Bar Ilans University's Mechina Program aims to familiarize students with university education and prepare them for continued education in any institution of higher education in Israel. The program covers a broad spectrum of subjects including Judaic studies, math, hebrew and elective courses (sociology, economics, computers, chemistry, biology and physics). Courses are taught in simplified Hebrew and adapted to the specific needs of visiting students and new immigrants who have just arrived in Israel.

Experience

Assistant Lecturer

Reichman University (IDC Herzliya)

Nov 2022 - Present (1 month +)

CV Data Analyst

Arpalus

Mar 2021 - Sep 2022 (1 year 7 months)
